Home Telephone ILEC, LLC d/b/a Home Telecom (SAC 240527)

ATTACHMENT - LINE 112

FIVE YEAR SERVICE QUALITY IMPROVEMENT PLAN & PROGRESS REPORT

ATTACHMENT REDACTED IN ITS ENTIRETY

Home Telephone ILEC, LLC d/b/a Home Telecom's demonstration of complying with applicable service quality standards and consumer protection rules for voice and broadband services:

In establishing this certification in its 2005 ETC Order,¹ the FCC found that an ETC must make "a specific commitment to objective measures to protect consumers." The FCC found that for wireless ETCs, compliance with CTIA's Consumer Code for Wireless Service would satisfy this requirement and that the sufficiency of other commitments would be considered on a case-by-case basis.³ In this context, the FCC stated, "to the extent a wireline or wireless ETC applicant is subject to consumer protection obligations under state law, compliance with such laws may meet our requirement."

Home Telephone ILEC, LLC d/b/a Home Telecom ("Home") is subject to consumer protection obligations under both federal and South Carolina state law. These obligations include, but are not limited to, the following: (1) filing a Local Exchange Tariff pursuant to the requirements of the Public Service Commission of South Carolina which disclose rates, and terms and conditions of service to customers (Section 103-612.2.1 of the South Carolina Code of Regulations); (2) adherence to state consumer protection requirements governing telephone providers which govern Standards and Quality of Service (Sections 103-661, 103-662, and 103-663 of the South Carolina Code of

¹ Federal-State Joint Board on Universal Service, CC Docket No. 96-45, Report and Order, FCC 05-46 (rel. Mar. 17, 2005) ("2005 ETC Order").

² *Id.* at para. 28.

³ Id. The FCC noted that under the CTIA Consumer Code, wireless carriers agree to: "(1) disclose rates and terms of service to customers; (2) make available maps showing where service is generally available; (3) provide contract terms to customers and confirm changes in service; (4) allow a trial period for new service; (5) provide specific disclosures in advertising; (6) separately identify carrier charges from taxes on billing statements; (7) provide customers the right to terminate service for changes to contract terms; (8) provide ready access to customer service; (9) promptly respond to consumer inquiries and complaints received from government agencies; and (10) abide by policies for protection of consumer privacy." Id. at n. 71.

⁴ Id. at n. 72.

Regulations); Customer Relations, including billing, deposits, discontinuance and termination of service (Sections 103-620 through 103-633 of the South Carolina Code of Regulations); Engineering and Safety Standards (Sections 103-640 through 103-646 and 103-670 through 103-672 of the South Carolina Code of Regulations); Inspections and Tests (Sections 103-650 through 103-653 of the South Carolina Code of Regulations); Records and Reports (Sections 103-610 through 103-619 of the South Carolina Code of Regulations) and Customer Complaints (Section 103-628 of the South Carolina Code of Regulations); (3) truth-in-billing requirements (Section 103-622.1 of the South Carolina Code of Regulations); and (4) CPNI, Red Flag Rules and other applicable federal and state requirements governing the protection of customers' privacy.

Home is subject to consumer protection obligations for broadband services under federal law. These obligations include, but are not limited to, the following: public disclosure of accurate information regarding network management practices, performance, and commercial terms of broadband internet access services; as a means of providing sufficient information for consumers to make informed choices regarding use of such services, and for content, application, service and device providers to develop, market, and maintain internet offerings as specified in 47 CFR § 8.3. The Company furthermore with will comply all requirements set forth in the 2015 Open Internet Order when it becomes effective.

Home Telephone ILEC, LLC d/b/a Home Telecom's demonstration of ability to function in emergency situations for voice and broadband services:

Home Telephone ILEC, LLC d/b/a Home Telecom ("Home") hereby certifies that it is able to function in emergency situations as set forth in 47 C.F.R. § 54.202(a)(2)¹ and Section 103-646 of the South Carolina Code of Regulations. Home's network is designed to remain functional in emergency situations without an external power source, is able to reroute traffic around damaged facilities, and is capable of managing traffic spikes resulting from emergency situations as required by Section 54.202(a)(2) and Section 103-646 of the South Carolina Code of Regulations. Home can change call routing translations as needed to reroute traffic around damaged facilities. Changing call routing translations will also allow Home to manage traffic spikes throughout its network, as emergency situations require. In addition, Home has redundancy for connectivity purposes *via* additional routes and electronic equipment for voice and broadband services.

Specifically, each central office building is supplied with standby generators and battery back-up that enable the central office to keep running until power is restored so long as fuel is available, or until system changes are made to reroute traffic. Home has battery backup at all office locations and in its electronic equipment sites. Length of run time is determined by the equipment serving the area and the number of customers working out of the equipment. Generators are installed at all Central Office locations. They will continue to run as long as Home has access to fuel.

Section 54.202(a)(2) requires ETCs that are designated by the Commission to "demonstrate its ability to remain functional in emergency situations, including a demonstration that it has a reasonable amount of back-up power to ensure functionality without an external power source, is able to reroute traffic around damaged facilities, and is capable of managing traffic spikes resulting from emergency situations."

SOUTH CAROLINA

SECTION 6

2nd REVISED SHEET NO. 4

SOUTH CAROLINA

CANCELS 1st REVISED SHEET NO. 4

LOCAL EXCHANGE SERVICE

6.2 LIFELINE PROGRAM

6.2.1 General

- A. Lifeline Assistance is a non-transferable retail service offering for which qualifying low-income subscribers pay reduced charges, as provided for below. Lifeline Assistance enables eligible subscribers to pay reduced charges for voice telephony service that includes the following services: voice-grade access to the public switched network; local usage; access to emergency services; and toll limitation.
- B. The Lifeline credit available to an eligible customer in South Carolina is equal to the total of federal support as established by the Federal Communications Commission and state support as established by the Public Service Commission of South Carolina. The amount of credit will not exceed the charge for local service, which includes the access line, the Subscriber Line Charge and local usage.
- C. The Company shall apply the baseline payments received by the administrator of the federal Lifeline Assistance program to waive the qualifying customer's federal End-User Common Line Charge. The Company shall apply any additional federal support amount to the qualifying customer's basic local exchange service rate.
- D. The Lifeline Program reduction to voice telephony service shall apply only to residential service. Qualifying customers must subscribe to a generally available residential service plan or package that includes voice telephony service that is made available in the Company's service area.
- E. Partial payments that are received from Lifeline customers shall first be applied to voice telephony charges and then to any outstanding charges for additional services.
- F. Nothing in this Section shall prohibit a customer who is otherwise eligible for the Lifeline Program from obtaining and using telecommunications equipment and services designed to aid such customer in utilizing qualifying telecommunications services.
- G. The Lifeline Program rate reduction does not apply to Service Connection Charges.
- H. The Lifeline Program rate will not be available on a retroactive basis.

6.2 LIFELINE PROGRAM (Cont'd)

6.2.2 Eligibility and Certification Requirements

(C)

- A. Subscribers are eligible for Lifeline Assistance if:
 - 1. The subscriber's household income is at or below 135 percent of the Federal Poverty Guidelines, or
 - 2. The subscriber, or one or more of the subscriber's dependents or the subscriber's household, receives benefits from at least one of the following qualifying programs:

Medicaid;

Supplemental Nutrition Assistance Program (SNAP), formerly known as Food Stamps;

Supplemental Security Income (SSI);

Federal Public Housing Assistance;

Low-Income Home Energy Assistance Program (LIHEAP);

National School Lunch Program's free lunch program;

Temporary Assistance for Needy Families (TANF).

- 3. Other eligibility requirements may be established by the Commission.
- B. Each subscriber to Lifeline Assistance must provide documentation of income-based or program-based eligibility and certify in writing to the Company, under penalty of perjury, that s/he receives benefits under a program outlined in paragraph A. above, and must on that same document, agree to notify the Company if s/he ceases to participate in the program(s) or to meet income eligibility requirements. The certification form shall conform to the requirements described herein, and shall be made available upon request to any subscriber. The Company shall retain all such subscriber certifications in order to furnish proof of subscriber eligibility as may be required from time to time by Universal Service administrators.
- C. A subscriber may elect at the time of subscription to Lifeline Assistance to receive toll limitation as part of Lifeline Assistance. "Toll limitation" is a service that allows a subscriber to elect not to allow the completion of outgoing toll calls from the subscriber's residence.

LOCAL EXCHANGE SERVICE

6.2 LIFELINE PROGRAM (Cont'd)

6.2.5 Credit and Collection

(N)

A. Credit References

The credit verification procedures used for all applicants who apply for service with the Company will also be used for applicants who apply for service under the Lifeline Program.

B. Deposits

The Company may not collect a service deposit in order to initiate Lifeline Assistance if the qualifying low-income subscriber voluntarily elects toll blocking from the Company, where available or if the qualifying low-income subscriber elects a calling plan that does not distinguish between toll and non-toll calls in its pricing. If toll blocking is unavailable, then the Company may charge a service deposit.

6.2.6 Service Connection Charges

(N)

(C)

- A. Secondary Service charges do not apply to eligible customers with existing residential access line service when they convert to the Lifeline Program.
- B. Service Connection Charges will apply when:
 - 1. Existing eligible residential Local Exchange Service customers also convert to a different grade of eligible residential service and/or Optional Calling Services at the time the Lifeline Program billing is initiated.
 - 2. A customer receiving Lifeline Program billing voluntarily elects to convert to telephone service arrangements which preclude Lifeline Program eligibility.
 - 3. New residential applicants (those without existing Local Exchange Service) eligible for the Lifeline Program will be subject to applicable Service Connection Charges.
- C. Any subsequent moves or changes after the initial connection to the Lifeline Program will be subject to the applicable Service Charges as outlined in Section 18 of this Tariff.

(d)

LOCAL EXCHANGE SERVICE

6.1 APPLICATION OF RATES, CHARGES AND REGULATIONS

6.1.1 Local Flat Rate Service

- A. Local exchange access service rates and charges as specified in this tariff are for only local exchange service and facilities of the Company within the Company's exchange service area as approved by the Commission.
- B. The furnishing of communications services by the Company is also subject to the rates, charges, rules and regulations of this General Subscriber Services Tariff as it now exists or as it may be revised, added to, or supplemented by superseding issues, and these rates are hereby made a part of these local exchange service tariffs.
- C. This tariff cancels and supersedes all other local exchange service tariffs issued and effective prior to the effective date of these tariffs.
- D. Unless otherwise specified, the rates and charges listed in this tariff are payable for a period of one month, in advance, and entitle the customer to unlimited, flat rate calling.
- E. The Home Telephone Company, Inc. offers single party residence and business service throughout its service area.
- F. Rates and Charges for this service and other miscellaneous services can be found in Section 18 of this Tariff.

LOCAL EXCHANGE SERVICE

6.1 APPLICATION OF RATES, CHARGES AND REGULATIONS (Cont'd)

6.1.2 Local Calling Areas

The local exchange rates authorized by the South Carolina Public Service Commission, listed in Section 18.3, entitle subscribers to access all exchange access lines: (1) bearing the central office designations of the subscriber's exchange, (2) the central office designation(s) of additional exchanges or central offices as follows:

Exchange/NXX

Exchanges in Local Calling Area

Moncks Corner (482, 719, 761, 899)

Cross (753) Huger (336) Jamestown (257)

Lebanon (688) Macedonia (565)

Harleyville 462

The following exchanges in Berkeley County have free dialing Expanded Area Service (EAS) with each other: Moncks Corner, Huger, Jamestown, Lebanon, Macedonia, and Cross.

The Harleyville Exchange located in Dorchester County has free dialing Expanded Area Service (EAS) with St. George, a BellSouth Exchange

Response to Line 3010 – Milestone Certification (47 CFR §54.313(f)(1)(i))

Home Telephone ILEC, LLC (SAC 240527) hereby certifies that throughout 2014, it took reasonable steps to provide upon reasonable request broadband service at actual speeds of at least 4 Mbps downstream/1 Mbps upstream, and currently, it is taking reasonable steps to provide upon reasonable request actual speeds of at least 10 Mbps downstream/1 Mbps upstream broadband service at with latency suitable for real-time applications, including Voice over Internet Protocol, and usage capacity that is reasonably comparable to comparable offerings in urban areas as determined in an annual survey, and that requests for such service are met within a reasonable amount of time.

Home Telephone ILEC, LLC (SAC 240527)

Response to Line 3012 - List of Community Anchor Institutions to Which the ETC Newly Began Providing Service

The FCC's *USF/ICC Transformation Order* requires a listing of community anchor institutions to which the ETC newly began providing broadband service. As an incumbent LEC, Home provides broadband service to all community anchor institutions requesting service in its service area. Home hereby provides the FCC with a list of community anchor institutions, to which it newly began providing broadband service or have added service since July, 2014.¹
